

Approved Voith Spare Parts Distribution Network

Purpose:

This information bulletin is being written to identify the approved Voith Spare Parts Distribution Centers and their service region by State.

General Information:

1. If you are an end user please contact Voith Turbo directly or one of our approved spare parts distribution centers for parts sales and information.
2. If you would like to purchase spare parts for resale, please contact Voith's approved spare parts distribution centers that have responsibility for the area or region where your end customer is located.
3. All parts requests for end users in Canada should be directed to Voith Turbo Canada. Please call 905-670-3122 and your inquiry will be directed to the responsible person.
4. All questions regarding this parts distribution policy should be directed to the attention of Tracey Johnson (Aftermarket Sales Manager). He may be contacted at 717-767-3200.
